

# Agreement to End Hostilities

August 12, 2012

To whom it may concern and all California Prisoners:

Greetings from the entire PBSP-SHU Short Corridor Hunger Strike Representatives. We are hereby presenting this mutual agreement on behalf of all racial groups here in the PBSP-SHU Corridor. Wherein, we have arrived at a mutual agreement concerning the following points:

1. If we really want to bring about substantive meaningful changes to the CDCR system in a manner beneficial to all solid individuals, who have never been broken by CDCR's torture tactics intended to coerce one to become a state informant via debriefing, that now is the time for us to collectively seize this moment in time, and put an end to more than 20-30 years of hostilities between our racial groups.

2. Therefore, beginning on October 10, 2012, all hostilities between our racial groups... in SHU, Ad-Seg, General Population, and County Jails, will officially cease. This means that from this date on, all racial group hostilities need to be at an end... and if personal issues arise between individuals, people need to do all they can to exhaust all diplomatic means to settle such disputes; do not allow personal, individual issues to escalate into racial group issues!!

3. We also want to warn those in the General Population that IGI will continue to plant undercover Sensitive Needs Yard (SNY) debriefer "inmates" amongst the solid GP prisoners with orders from IGI to be informers, snitches, rats, and obstructionists, in order to attempt to disrupt and undermine our collective groups' mutual understanding on issues intended for our mutual causes [i.e., forcing CDCR to open up all GP main lines, and return to a rehabilitative-type system of meaningful programs/privileges, including lifer conjugal visits, etc. via peaceful protest activity/noncooperation e.g., hunger strike, no labor, etc. etc.]. People need to be aware and vigilant to such tactics, and refuse to allow such IGI inmate snitches to create chaos and reignite hostilities amongst our racial groups. We can no longer play into IGI, ISU, OCS, and SSU's old manipulative divide and conquer tactics!!!

In conclusion, we must all hold strong to our mutual agreement from this point on and focus our time, attention, and energy on mutual causes beneficial to all of us [i.e., prisoners], and our best interests. We can no longer allow CDCR to use us against each other for their benefit!! Because the reality is that collectively, we are an empowered, mighty force, that can positively change this entire corrupt system into a system that actually benefits prisoners, and thereby, the public as a whole... and we simply cannot allow CDCR/CCPOA – Prison Guard's Union, IGI, ISU, OCS, and SSU, to continue to get away with their constant form of progressive oppression and warehousing of tens of thousands of prisoners, including the 14,000 (+) plus prisoners held in solitary confinement torture chambers [i.e. SHU/Ad-Seg Units], for decades!!!

We send our love and respects to all those of like mind and heart... onward in struggle and solidarity...

# Statement to the Streets and All Youth Lock-ups

Last summer, people held in the SHU – Security Housing Unit – at Pelican Bay State Prison declared a hunger strike to protest the cruel and inhumane conditions inside. The hunger strike spread to more than 7,000 people locked up in California prisons. People from all “sides” - blacks, whites, Asians, Sureños and Norteños put all politics behind and came together to demand change.

On this day, *October 10, 2012*, the men in the Security Housing Unit at Pelican Bay are again leading all of us. They have called for “an end to all hostilities” within our state’s prisons and jails. After doing so much time, the men in the Pelican Bay SHU have realized that they are being recycled over and over through the same dead-end system. For all of us, there must be a cut off point – a time at which we stop participating in our own destruction.

As young people who have experienced bloodshed on the streets of Los Angeles, and the violence and humiliation within juvenile halls, Probation camps and Division of Juvenile Justice Youth Prisons, we are also calling for an end to the war between the youth.

We are challenging all youth in the streets, schools and lock-ups throughout California, to do the following:

1. End all the killing and drama between hoods, crews and races. Declare a temporary cease fire and work toward building lasting truces.
2. Take the same mentality and skills we have used to hustle drugs, bang our hoods and promote our crews to unite in a powerful movement to demand dignity, respect and equality for all our people.
3. We must also demand an end to police and sheriff violence, an end to the mass incarceration of youth – especially Black and Brown youth, an end to ICE detention and deportation, living wage jobs, and a quality education that prepares all youth for college and a career.
4. Demand an end to the War on Gangs – including the CalGang Database that labels people (as young as ten) as gang members without their knowledge or right to appeal; gang injunctions that incarcerate people for non-criminal acts; and gang enhancements that turn courtrooms into death chambers.
5. Do not fall victim to traps set by a wicked system that seeks to make us permanent members of the prison industrial complex.
6. Spread the word to unite all hoods, all barrios, all crews and all cliques, all cells, all dorms and all units - from the Nickersons Gardens to Estrada Courts, from the PJs to the Y.A., from TJ to Pelican Bay, to the Bay Area and back down to Sac Town – let everyone know, as youth of California we are NOT DOWN WITH THE LOCK DOWN!!!

Signed by the following youth (so far\*): Anthony Smith, Jose Gallegos and Rickia Collins

\* If you are under the age of 25, please sign on.
